Allergens	Contains sulphites.

About

The Picpoul grape has been cultivated in vineyards near the Étang de Thau lake since ancient times where sea breezes from the Mediterranean give it its refreshing slightly salty character. This wine has built up a huge popularity within the UK wine market which currently takes over half of all of the exports of this superb wine.

Tasting Notes

This delightful aromatic white has floral and citrus notes on the nose. On the palate it is dry and refreshing with flavours of lemon peel, grapefruit and white peach. Delicious served chilled as an apéritif, or with shellfish such as mussels or oysters, with white fish, Parma ham, cold chicken or a couscous salad with tomatoes and black olives.
